

"All my life I have lived in Northern Wisconsin. I love the woods and everything about it. I have and will continue to spend most of my life living, talking about and loving everything about the forests that surround me. I especially enjoy talking to others about what I have learned about our forest and how we, today, can make sure there are forests forever."

## Wisconsin Tree Farm Committee

### Annual Field Day

Saturday, August 17<sup>th</sup>, 2013

Hosted by Dennis and Kim Schoeneck

Wisconsin's 2012 Outstanding Tree  
Farmers of the Year

The Wisconsin Tree Farm Committee invites you to attend its 2013 Annual Field Day hosted by Dennis and Kim Schoeneck!

The focus of this field day is northern hardwoods management and you will have the opportunity to see how stands are evaluated, marked and harvested to promote health and value. You will also see three generations of applied forest management by the Schoeneck family including Christmas tree plantings, wildlife habitat, recreational trails, non-traditional forest products and an active harvest with Dennis's harvester and much, much more!
